Please be on the lookout for a call or email from one of our experienced title clerks if any additional information is needed for the completion of your title/registration:

- Phone numbers you may be receiving an Opus VTR call from:
 - 954.869.0030 Fort Lauderdale, FL Office (EST)
 - 317.322.0020 Indianapolis, IN Office (EST)
 - 385.444.4086 Draper, UT Office (MST)
- Emails from our title clerks will always end in @OpusVTR.com
- **When we contact you, it means we cannot move any further without your assistance.** Please respond as soon as possible.
- **Important:** Please be aware that some states may impose late penalties and inspections may expire if a vehicle is not registered on time. Your timely response will help prevent these situations from escalating.

If your state requires a VIN inspection to complete this process, we have inspection stations in about 14 states that are licensed to do the inspections. Please do not hesitate to ask our experienced title clerk about the location of the nearest inspection station.

We are very excited to work with you and provide a smooth and efficient out of state vehicle purchase experience.

If you have any questions, please call your local office at one of the below telephone numbers. Our offices are open Monday through Friday from 8:00 am through 5:00 pm local time. Please be aware that we are a third-party contractor, and we can only discuss with you the title and registration. If you have any other questions, please contact your selling dealership.
